1. As a user, I want to be able to search for day tours going from the city I am in. So I don't have to search through tours going from other cities.
2. As a user, I want to filter the tours I search for by their type. Because there are specific kinds of tours I am interested in.
3. As a user, I would want to be able to see reviews for the tour. Because I want to make the most of my tour.
4. As a user, I would like to be able to set a price range, dates and duration of my tour. Because I might be travelling on a budget only for a set time.
5. As a user, I would like to see my tour itinerary, plan and what necessary equipment I might need. Because I want to be well prepared for the tour.
6. As a user, I would like to be able to cancel my tour and know if it provides free cancellation. Because I might get ill or have an emergency.
7. As a user, I would like to be able to search by attractions. Because there are specific places I want to see.
8. As a user, I want to be able to pay for my tours straight away. Because I would like to pay beforehand.
9. As a user, I want to receive my tour ticket via email or print out straight away. Because I want to have all of my trip details ready.
10. As a webmaster, I want to be able to add/remove tour listings in case they are discontinued.
11. As a tour provider, I want to receive bookings in an organized manner through email/booking platform. Because I need to keep track of all my tours and invoices.
12. As a tour provider, I want to be able to set the availabilities manually. In case we have to make reservations without booking.
